“Set up road signs; put up guideposts. Take note of the highway, the road that you take ...”

The word “guideposts,” title of a popular magazine, has almost become a household word. I had always thought the term originated with the magazine. To my happy surprise I chanced upon this verse, “... make yourself guideposts.”

The Israelites knew the desert highway by which they were taken into exile. They had passed certain valleys, skirted unique mountains, walked over dry river beds, and made their way over other mountain passes. You could have asked any of them, and in their minds’ eye, they could retrace their journey, considering well the road by which they came, and thus set up guideposts so that when the time arrived for their return they could find their way safely home.

Years ago Lin and I hiked to the top of Mt. Thielslon in Douglas County, OR. Having never done this sort of thing before, we would ask folks who were coming down if they’d been to the top and if they had, was there any thing we ought to know to make the trip enjoyable or easier or memorable. Most commented on the fantastic view that was afforded from this almost 10,000 foot peak - but a few gave a simple warning - when you get to the last part (the last section of Thielslon is like a chimney that reaches to the sky) make sure you leave a stone or two in visible places “so that you can find your way back down” - the view is completely different when descending! So we gathered some stones and made a few cairns for that very purpose. I learned immediately what a guidepost was.

The Israelites’ journey back to their homeland is a metaphor for living. We are encouraged to look back and review the route by which we came - “take note of the highway,” Jeremiah says. But as we look back, we need to stay away from the things that caused destruction - obstinacy, stubbornness, or a misuse of other people along the way. Put up guideposts and don’t go there! Then find ways to avoid, skirt, pass over or circle around those obstacles that stand in the way of a safe return home.

As we learn to bypass the mistakes of the past, perhaps we will learn to journey adventurously into the future.

New challenges for ministry surround us all the time. God go with us every step of the way. God’s richest blessings for you as you settle back in after a great summer; may the days ahead provide time for reflection, as well as opportunities for new journeys in His name. “Take note of the highway, the road that you take.”

Peace.

New Web Site for Prince of Peace Church & School!

Come visit us again for the first time! If you go online to www.princeofpeacelc.org you will be greeted by a brand new website designed and implemented by our friends at Rains Marketing. This summer we were reminded that most people coming to a new area will look online first to find a church home or a school for their children. We evaluated our website and found that it was not as engaging or as user-friendly as we wanted it to be for people who would be searching for us on the web. Our old website, though basically effective, was outdated, and the information was not easily maintained. The new website is re-organized, expanded, and much easier to navigate than the old one. We are really excited about our new look, and believe that the new site will be a much better source of current information for our members and our community. Almost everything you need to know about our Church and School is now available online. The website is not totally up-to-date yet, but we have posted a lot of content so far, and continue to work to populate all of the Church and School areas with up-to-date information. We chose to launch the website now so that families getting ready to come to our School this Fall would be able to access the information they need.

On the website you will find information right on the home page about our Vibrant Faith Focus, our location, how to contact us, instant links to current and coming events (just below the main picture which scrolls to show visitors what life and ministry is like at our Church and School), Service times and styles, our Beliefs as outlined in the Apostle’s Creed, an Introduction to our School Ministry, and Menu links that lead to a variety of pages with more detailed information about Church and School Ministries. Church Members, School Parents, and curious Community members will be able to check our calendar for detailed information like dates, times and costs for upcoming events, find and download forms online, listen to current and recent Sermons, read current and recent newsletters, and more!

The Office Staff of the Church and School have access to make changes and update the website in real time, so if you see something that needs changing or correcting for the Church, please call (503) 645-1211 or email the Church Office (Susan Sturm - office@princeofpeacelc.org or Mary Raetz - assistant@princeofpeacelc.org). For corrections to School information call (503) 645-1211 or email the School Office (Audra Correia - publishing@princeofpeacelc.org). If you have suggestions about the structure of the website or would like to have an event posted as one of the current event graphics on the home page you can contact our web coordinators (Church: Jeff Kranich - jeff@princeofpeacelc.org, School: Audra Correia - publishing@princeofpeacelc.org) who will communicate directly with Rains Marketing to make those changes as a part of our ongoing website maintenance agreement. We look forward to keeping you informed and engaged through this new online Ministry Tool!

Come join our Prince of Peace Family for Worship at 9:00am in the Christian Life Center (CLC) for Rally Day as we kick off the 2011-2012 Sunday School Year! The following week, September 18, classes begin for all ages! Sunday School starts each week with a special Opening in the CLC for children’s classes that includes songs, videos, special announcements, and more. After the opening, kids follow their Shepherds to various activities based on their grade. Our theme for this year is “Messiah”. We will spend the year together exploring the promise of God to send us a Savior, and how He worked through Kings, Prophets, and ordinary People to fulfill that promise in Jesus Christ who, by His life, death, and resurrection, restored the relationship that sin had broken between us and the God who loves us! New to our Program this year are five special Sunday School Celebrations that will highlight important events in the Church Year like Reformation and Christmas. These celebrations will include music, crafts, special presentations, and great snacks! Join us each Sunday during regular Sunday School classes throughout the year - from “Story Time” to “Bible Crafts” to “Faith Café” there is something for everyone!! Grab some Rally Day bracelets and spread the word to all your friends!

My Father, My Father!
The Chariots and Horsemen of Israel!
A 6-week Bible Study on the Prophets Elijah and Elisha

Professor Phillip Brandt returns this fall to explore the books of First and Second Kings and the ministry of Elijah and Elisha. These were two of the great prophets whom God sent to the nation of Israel. In their stories we see God act in compassionate love for his sinful people and give us important clues to the identity, ministry, and nature of Christ. Embedded in ancient and sophisticated literature, this study will challenge and inspire us to see our own world differently today, and equip us to serve God in this place faithfully and lovingly.

While it is not necessary to do the assigned readings before class, the student who comes to the class already familiar with the stories always gets more out of them. If you are able, please read the chapters prior to the classes. We won’t get a chance to look at all this material, but you will find these to be engaging and interesting accounts.

The event team could also use some extra hands to sort and prepare all these clothes for distribution on Thursday and Friday, September 15 and 16. Red Cross Babysitting Certification Training

Prince of Peace is planning to offer Red Cross Certified Babysitter Training this Fall. The class costs $85 per student and provides 7 hours of First-Aid and Child Care training including all training material and a certificate of completion from the Red Cross. Once we reach the minimum we will schedule a weekend for the training.
Welcome back from your summer vacation. We pray it was a safe and blessed one, but busy I am sure. As we return to the sanctuary this fall, you will notice that the old library space is gone. It is now the Parish Nurse office. We will be doing our monthly Blood Pressure screening in the office with more privacy now. Hopefully, we will have a time when there will be a PN present for education and consultation (office hours) but that is in the future. We will keep you posted. We do have the ability to post notices, fliers, upcoming events, etc. on the outside of our walls. So, please come by and visit.

As I write this, the news has been reporting of the aftermath on the East Coast of Hurricane Irene. The unexpected flooding from the rains will take weeks, even months for the folks to recover. Then, there are still reports out of Japan from the earthquake and nuclear plant problems just a few months ago. Would you be prepared for survival if an emergency or disaster occurred today? What about your neighbors and your neighborhood/community? The East Coast had several days warning with the hurricane, but an earthquake, volcanic eruption, snow or ice storm, or heaven help us, a terrorist attack, are not predictable. September is the Eighth Annual National Preparedness Month “A time to Remember. A time to Prepare” The Federal Emergency Management Agency (FEMA) encourages Americans to take simple steps to prepare for emergencies. What to include in your home emergency kit? Check out www.ready.gov, a very valuable website. However, we also need to start those caring conversations with our neighbors, get to know who are the elderly, the families with parents working whose children may be with babysitter or alone after school, etc. Start the conversations with your neighbors about the what if? Where is the local evacuation center for your neighborhood? Do all your family members know how to get there? This would be a great time to get to know the neighbors you didn’t know before, instead of during a stressful life threatening situation.

September 23 is the 4th Annual Falls Prevention Awareness Day. Please look for educational resources available in the narthex during this week to assist you with strategies in identifying obstacles and preventing falls in the home/apartment/ workspace. If you or someone in the congregation needs a Fall Prevention evaluation in the home, please contact Pam or Karina. Resource website www.healthyagingprograms.org.

Powerful Tools for Caregivers - is a 6 week educational series designed to help unpaid family caregivers take care of themselves while caring for a relative or friend with a chronic illness. Caregivers develop a wealth of self-care tools to reduce personal stress, communicate their needs effectively in challenging situations, deal with difficult emotions and make tough caregiving decisions. You will benefit from this class whether you are helping a parent, spouse, friend, someone who lives at home, in a nursing home, or across the country. Class size is limited and registration is required. A donation of $25 is suggested for book and materials. We are offering this class in collaboration with our PN colleague, at Saint Juan Diego Catholic Church. The class will be team taught by the three of us.

Classes will be held at Saint Juan Diego 5995 NW 178th
(off Springville Road, near PCC Rock Creek)
Portland OR 97229
Classes will be Sundays 2Pm – 430pm
October 16, 23, 30
November 6, 13, 20

If you or someone you know may be interested or benefit from this course, please contact Pam Krautscheid (503) 645-2474, or Karina Wehrspann (503) 645-0436.

Lastly, thanks for a great summer! Your parish nurses are pleased to be able to serve you. Always take the time ask if you have any questions concerning your health.

God’s Peace be with you,

Pam and Karina
PRAYER SHAWLS
Prince of Peace Healthcare Ministry

Prayer shawls are lovingly made by knitters or crocheters with prayer for recipients who are in need of prayer and comfort, such as those with serious illnesses, loss, depression, a shut-in or any caregivers. A shawl is visible proof that someone cares for and is praying for the wearer. The shawls have been blessed and we hope that the wearers will feel God’s arms around them. If you know of someone who would use a prayer shawl, please let the Pastor, Jeff, the church staff or the Healthcare Ministry Team know.

Shawls can be made of any soft yarn, approximately 60 X 27 inches if a rectangle, or long enough at the top to wrap over the shoulders if a triangle. There is a pattern below, or use your own. Variety is best.

Yarn is available for those who would like to knit/crochet a shawl. Any type of yarn can be used, but if the shawl contains wool, it would be best to label it as such for those with wool allergies. Anyone can create a prayer shawl, contributions welcome.

**Knitting Directions:**
Materials: 3 skeins of Lion Brand Homespun yarn (available at Michael’s or Joann’s)
Size 11 or 13 knitting needles

Pattern: Cast on 57 stitches.
First row: *Knit 3 stitches, Purl three stitches.* Repeat from * to * to end of row. Turn.
All subsequent rows: Knit the purl and purl the knit stitches.
You will begin every row with knit.
A weave pattern will develop. Knit up about 2 and 2/3 skeins
in the pattern. Bind off and use the remaining yarn for fringe, length of fringe up to you.

**Knitter’s Prayer:** Weave prayers into the shawl as you knit. Begin with a prayer for blessing the shawl. Then, pray for the person who will receive the shawl as you are making it.

In the name of the Father the Creator, the Giver of Life, the Holder of Time; in the name of Jesus the Savior, the Healer, and the Lifter of Pain; in the name of the Spirit the Comforter, the Consoler, the Sustainer of Life: I knit this shawls as a mantle of caring. I knit a mantle of protection, I knit a mantle of wholeness. I knit a mantle of strength. I knit a mantle of healing. I knit a mantle of patience. I knit a mantle to enfold you. I knit a mantle to empower you. May this prayer shawl warm and comfort you when you’re weak and weary.

O Christ, who healed the broken in body and spirit, be with all who suffer today. Be with doctors, nurses, technicians, and all that care for the sick. Be with families and friends of those who love and comfort the sick. May your gentle yet strong touch reach out to heal all the broken and hurting people and places in our world.
A prayer shawl, in the time of need, is like having God’s arms around you.
I ask this in the Name of Jesus Christ our Lord and Savior. Amen

If you would like to make shawls, using your own yarn or some we have available, or if you know someone who would use a prayer shawl, please let someone know.

Thanks,

Back to School!

You can almost feel the energy in the air as our children return to school—new teachers, new school clothes, and new friends! More than 240 young children will be entering our doors this month. We have the awesome responsibility of giving many of them their “first school” experience. Even more exciting we have the opportunity to introduce them to Jesus!

One of our teachers told me an interesting story this morning. Last year in her 3 year old class, the mother of one of her students told her that her husband was against their son being at Prince of Peace because he was an atheist. Their little boy was fascinated with super heroes. One day at circle time, she was talking about super heroes and the concept of Jesus being stronger and more powerful than any super hero. The little boy asked if Jesus was “make believe” or real. She answered that he was very real and not “make believe” like Superman or Spiderman. The little boy became very excited and started chanting “He is real! He is real!” The next morning the mother reported that her son talked about Jesus being real all evening and even though Dad was there he did not say a word. We do not know what kind of an impact the message of this three-year-old had on his dad. But we do know that God is mightily at work in their lives through this young child.

It is for just this reason that we exist! Prince of Peace School has such an amazing opportunity to reach out to young children and their families on a regular basis, as they have been doing for over 25 years! The school IS our mission field!

It is my plan to relate similar stories to you during the school year, portraying just how God works in the lives of our teachers, children and families at our school. I am also hoping to involve more of you in our school community. Maybe you can take a lunch break and come read a children’s story to a group of kindergarteners, or maybe you can share a hobby or talent for 10-15 minutes at circle. Maybe you have an idea! Please feel free to call, stop by or email me at director@princeofpeacelc.org. I welcome your comments, suggestions, and would just like to get to know you!

For His Kids,
Lenetta Colbert, Director

A little bit about me -I was born many years ago in Hillsboro and lived in on a small farm across the road from what is now Neil Armstrong Middle School. I was baptized at Mt. Olive Lutheran Church in Forest Grove and attended my first two years of elementary school in Cornelius. Except for the last eight years, I have lived in Oregon—McMinnville, Salem, and Gresham. I have worked as an auditor for the State of Oregon, but most of my life I have directed or taught at Lutheran schools—Ascension in southeast Portland and Open Arms at Zion in Fairbanks, Alaska. My degree is from Oregon State University in Home Economics with a concentration in Family Life and Child Development. I am married to Terry, a retired internal auditor and we have four children, and four grandchildren scattered from California to Alaska.

Don’t forget to start your school day with a prayer and a great breakfast!

Lord,
May all that we do this day, from morning until night, begin with your inspiration, and continue with your powerful help.
May our work this day be rooted in love and mercy, that we might love you, and love our neighbors, as perfectly as you love us.
We ask this through our Lord Jesus Christ. Amen
David Bennett

Father,
We thank you for the opportunity to begin this new school year, and we ask that you bless the students, faculty, and student families that make our school a great place.
We pray that you will guide us in all ways, so that we will seek your will in everything that we do.
We ask this in the name of Jesus Christ our Lord. Amen
