Hello Parents!

This Spring we are announcing a collaboration between local photography studio Click by Suzanne and Prince of Peace for Mother's Day Portraits. These are open to all students and siblings.

Suzanne will be here: **Tuesday, April 5th & Wednesday, April 6th 2016**. Portraits will be shot outdoors on a simple black backdrop with a tight frame. Shots are candid and personal, allowing your child to just be themselves!

Please dress your child appropriately for photo day. We recommend clothing with bright colors and lovely detail in the shoulder areas including dresses, pretty sleeves, collared shirts and ties. Please avoid hoodies, sweatshirts and large logos.

Should you have any questions please contact Suzanne directly:
