Let me introduce you to the stories of several HomePlate kids we're just getting to know, starting with a young man who calls himself Oddball. Oddball moved to this area last year in search of something better. He's shown up several times at HomePlate dinners. He likes heavy metal music, especially old school bands like Aerosmith and AC / DC, and is happy to talk about them. (These bands are older than Oddball – Aerosmith started in 1970.)
