At a recent HomePlate dinner we talked with three middle-school girls for the first time. Jordan and her sister were proud that they volunteer as assistants in the Life Skills class for developmentally disabled students at their school. Their friend Ana was having a rough time with math class and was in danger of failing. Although the kids served by HomePlate have the special challenges of being homeless or in great need, they also share some of the same ups and down that other teenagers experience.

Prayer Shawls

If you know someone who is ill, has lost a loved one or is going through a difficult time, please consider giving them one of the prayer shawls available at no cost via the Church office. The shawls have a tag with a prayer, and are intended to signify the loving arms of God wrapped around a person in need.
