Due to the many reports of high lead levels in drinking water in Portland and surrounding areas, Prince of Peace School chose to test the water in all of our buildings. We are happy to announce that all of the tests showed that our water is **Safe** and **does not** contain elevated levels of lead. We will continue to monitor our facilities to provide the best environment for our students and families.

We see sisters Jevon and Amari at most dinners. They are fairly quiet, so it has taken a while to get to know them. They are very creative, and the dinners provide a safe space for them to develop their creativity. At recent dinners Amari has been working on her drawing skills, both on HomePlate's laptop and in her sketchbook. She talked with us about her dream of going to an art school after she finishes high school. Jevon is more of a writer, and told us about a short story that she'd finished.

Prayer Shawls

If you know someone who is ill, has lost a loved one or is going through a difficult time, please consider giving them one of the prayer shawls available at no cost via the Church office. The shawls have a tag with a prayer, and are intended to signify the loving arms of God wrapped around a person in need.
