Jordon is a frequent dinner participant. She is bored by school, doesn't want to go to college, and has a slightly cynical attitude – not a lot of opening for encouraging conversation. However, her eyes light up and she gets excited when she talks about her special education children. She loves volunteering as a special education assistant at her high school. Pray that God may help her find a path forward that ignites talents and passions like this.

*Prayer Shawls*

If you know someone who is ill, has lost a loved one or is going through a difficult time, please consider giving them one of the prayer shawls available at no cost via the Church office. The shawls have a tag with a prayer, and are intended to signify the loving arms of God wrapped around a person in need.
