As legend has it... St Patrick taught the children of Ireland about the Holy Trinity by using a humble clover. He told them about the Father, who created, loves and protects them. He told them about Jesus Christ, God's Son, who died and rose again to free people from their sins, and He told them about the Holy Spirit, the one who gives faith, hope and joy to each believer.

When you see clovers this spring, remember this God, Three in One, who loves, saves and desires you to be His child forever.

Forever His,
Carol Kluth

Chapel Offerings

The students contributed \$171.34 to Oregon Energy Fund to help pay for heat this winter. \$25 pays for 1 week of heat, so we were able to provide almost 7 weeks of heat for a family!

Chapel offerings for March through May will go to the **Beaverton Clothes Closet**. Thank you for your generous contributions!
