Voice for the Voiceless Theatre Group:

We invite you for a night of dramatic consciousness! Join us as we witness honest emotions during a jury deliberation of a murder trial. While tempers fly high, true prejudices are revealed. 12 strangers asked to determine the fate of a 19-year-old man who has just stood trial for the fatal stabbing of his father. Through a diverse cast we will see how biases are confronted and what happens when each juror adamantly defends preconceived notions. In tense electrifying scenes, you will be brought to think critically about your own ideals of the world and the people in it.

Stay after the performance for a Talk Back session with members of the cast and a different moderator and theme each performance to further delve into the concepts presented by **12 Angry Jurors**.

Performance dates: March 17-19
