Family Christmas Tree!

The Worship Arts and Community Building Ministry Teams invite you and your family to create and/or bring homemade ornaments to hang on the Family Christmas Tree in the Fellowship area all through the Season of Advent. Just bring your hand-crafted ornaments all through December on any Sunday, or during the week, and add them to the tree. This is a marvelous opportunity to talk with your children about the real meaning of Christmas as you create special ornaments to share, and contribute to a community celebration of our coming King!!

How Does the Idea of Vocation Matter Today?

In Luther's day, the church taught that being a called clergy person was religiously and morally more significant than being a lay person. If you wanted to be as close as possible to God, you had to enter a religious vocation. Luther protested this idea. Instead he taught that every Christian, from ordained priest to stable worker, is called by God to their vocations, and that all of these vocations are equally significant to God. This teaching unleashed unprecedented energy for worldly work in the Western world. But that was 500 years ago – does this idea matter today? To find out, join Ben Kaster and Jeff Oltmann for this two-week discussion.
