Resurrection in the Gospel of John:

Join Dr. Michael Thomas, Professor of Early Christian History at Concordia, in exploring how the Early Church Fathers interpreted the resurrection of Christ. We'll examine the 4th Gospel through the commentaries and homilies that the Fathers wrote for the benefit of their own congregations and the larger Church which speak to many of the same questions and concerns of Christians today.

Remember Jevon and Amari? They are the sisters who started at PCC last fall, and we were excited that they were going to college. We talked to both of them recently and heard that they are still hanging in there (math class last term was really hard for both) as they prepared for finals. They were getting some homework help the night we saw them. They believe they are maintaining B averages. Many of the youth we serve at HomePlate do not make it to college, so this is exciting.
