Who drops in to HomePlate dinners? It is a very diverse group. The youngest we've seen was just over 2 weeks old – a baby born to young parents served by us. The oldest are 26 – the graduation age for youth who stay with HomePlate as long as they can. We see all genders and ethnicities. Many appear to be first or second generation residents in the US. They all have something in common – they need warm, nourishing food, support and people who care enough to help them. Consider this quote: "Our job as Christians is not to "fix" others. It is to love them in their brokenness."

happy birthday!

If you know someone who is ill, has lost a loved one or is going through a difficult time, please consider giving them one of the prayer shawls available at no cost via the Church office. The shawls have a tag with a prayer, and are intended to signify the loving arms of God wrapped around a person in need.
