The Prince of Peace Food Pantry serves several local families each week who, without our regular assistance, would have difficulty providing enough food for themselves and their children.

This ministry is staffed by dedicated volunteers who give their time each week to sort, stock, organize, prepare, and distribute the generous donations that come in from our members. Each week we publish a list of items that are running low, or that are in particular need.

Thank you for your regular support of this important ministry of caring and compassion for the poor in our midst!

Food Pantry Needs This Week (January 5-11, 2020):

- Chili
- Pudding / Jell-O
